NOTES/COMMENTS:

Dear Examiner Johnston:

I am faxing an Amendment After Allowance, per our previous discussions, requesting that you amend the "Reasons for Allowance". Thank you for the time you spent discussing this with me, and agreeing to ensure the changes are entered into the application file. I submitted this Amendment After Allowance with the Issue Fee and Publication Fee payment transmittal by first class mail on January 11, 2005, so that it was submitted prior to fee payment.

I am faxing this courtesy copy to you, so that you may have an opportunity to get the changes entered into the application file prior to issuance of the patent.

Thank you in advance for considering this submission.

Sincerely,

M. Robert Kestenbaum

Amendment After Allowance

Dear Examiner Johnston:

After receipt of the "Notice of Allowability" mailed 10/11/2005, we contacted you by telephone to discuss the "reasons for allowance" set forth in the above-mentioned Notice. This written request follows our telephone discussions of November 23, 2005 and January 5, 2006, in which you agreed to make the requested changes to the "reasons for allowance" and were determining if you were going to make the changes by Examiner's Amendment. In our last discussion, you requested that we make a written request that you amend the reasons for allowance (rather than your filing an Examiner's Amendment), to be certain the changes were properly entered into the application file. This written request from this office (rather than by Examiner's Amendment) is the reason for this submission, which is submitted prior to the Issue and Publication Fee payment.

In response to the Notice of Allowance mailed October 11, 2005, please make the following notation to the file for "Reasons of Allowance", so that this change is definitely
